PLAT-DREDGE

(718) 456-3606

B18 BUOY

A new type of buoy to meet the tough requirements of the dredging industry. Designed to take a beating over and over with its high-impact foam-filled light stabilized polyethelene.

This buoy meets U.S.C.G. requirements for marking dredge lines. Supplied with or without decal. Available with solar or battery operated lights and a pipe with built-in weight to allow self-righting action.

B18 - DREDGE
1M - 9SOL

B18 - DREDGE -
1M - D1 - 9SOL
