

Mustang Industrial Flotation Vests

Industrial Flotation Vests

Our Industrial Flotation Vests are designed for comfort and mobility on the job and include D-Rings and SOLAS reflective tape for increased visibility. **All are USCG TYPE III APPROVED.**

Industrial Mesh Vest ★

MV1254 T1

- SOLAS grade reflective tape on front and back
- Mesh shoulders offer mobility and comfort
- Large front pockets with Velcro™ closure
- Side adjustments for dual sizing
- High waist reduces interference with tools and duty belts

SIZE S/M, L/XL, XXL/XXXL, 4XL/5XL

5

4-Pocket Flotation Vest ★

MV3128 T2

A functional PFD ideal for industrial applications. It offers large arm holes for mobility and Tug-Tite® side adjustments for exact sizing. Four large Velcro™-secured front pockets conveniently store tools and four D-rings can be used for lanyard attachments. SOLAS reflective tape on the shoulders offers visibility in dark or stormy conditions. Strength rated to 50mph. Short-waisted for use with sidearms.

SIZE: S, M, L, XL, XXL, 3XL/7XL

Universal Fit

MV3104 T1

Offers functional industrial flotation with large arm holes for mobility. SOLAS reflective tape on the shoulders offers visibility in dark or stormy conditions. Great for boat crews.

SIZE: UNIVERSAL (30" - 52" CHEST SIZE)

High Impact SAR Vest ★

MV5600

The MV5600 SAR Vest is strength-tested to 100mph meaning it has been designed, tested and approved to hold up to rigorous activities. The high neoprene-lined collar provides impact protection by minimizing neck mobility and the large 3-belt adjustment system creates a secure fit.

- Strength rating of 100MPH
- Two large front cargo pockets with easy to use pull tabs for extra storage
- 62 sq in. SOLAS reflective tape for high visibility
- Large cutaway armholes for maximum range of motion
- High collar provides head support
- 3-Belt system for a custom fit
- Special Operations version also available

SIZE: S, M, L, XL, XXL, XXXL

Classic Industrial Flotation Vest ★

MV3106 T2

Stay safe on the job with this classic PFD perfect for a variety of industrial applications. Features large arm holes for mobility and SOLAS reflective tape on the shoulders for visibility. Includes side adjustments for better sizing.

SIZE: S, M, L, XL, XXL, 3XL/7XL

Mustang HIT™ and Deluxe Inflatable PFDs

Inflatable WORK VEST with HIT™ ★

MD3188

The only inflatable work vest on the market.

Pioneering the standards and available exclusively from Mustang Survival, the Inflatable Work Vest is built with exclusive technology for serious users.

- **FIRST - and ONLY - approved inflatable work vest on the market**
- **Approved for use on inspected and uninspected vessels of any size**
- Ideal for constant wear situations, hot, humid conditions and high-mobility requirements
- 35 lb buoyancy when inflated, twice the flotation of foam work vests
- Offers greater mobility than foam work vests
- Neoprene collar offers unsurpassed comfort
- Recessed zipper protects teeth from oil, grease and other contaminants
- PU-coated nylon shell improves puncture and abrasion resistance
- Custom-molded inflator cover reduces wear and protects inflator
- 5-year maintenance free hydrostatic inflator technology (HIT)
- Automatically inflates when submerged in 4 or more inches of water, or by pulling manual activation tab
- Will not inflate due to high humidity
- First inflatable strength tested for 50 mph
- Easy-to-clean components
- Lightweight and comfortable design

SIZE: UNIVERSAL ADULT (16 YEARS+ / 80LB +)
WITH CHEST SIZE 30"-52"

COLOR: ORANGE

APPROVAL: USCG TYPE V WORK VEST WITH
TYPE II PERFORMANCE

ACCESSORY: MA7637 BELT EXTENDER
(ACCOMMODATES LARGER CHEST SIZES)

Hydrostatic Inflator Technology (HIT™) - uses a pressure valve that will inflate the PFD if immersed in 4" or more of water pressure. No more inadvertent inflation due to high humidity, rain, or splash.

Mustang M.I.T.™ Inflatable PFDs and Accessories

M.I.T. is the next generation of inflatable PFD technology designed by Mustang scientists. Made from stretch-fabrics derived from the medical industry, M.I.T. PFDs use less fabric, offering less weight and a far more flexible fit.

M.I.T. 35

Membrane Inflation Technology™

MD2085 (MANUAL) & MD2087 (AUTO)

Inspired by our first ever inflatable PFD, the M.I.T. 35 boasts 35 lb buoyancy when inflated. It features an inspection window and access flap to make inspecting and maintaining your PFD a breeze, a hidden pocket for convenient storage of your essentials, a reflective badge and a flexible fit that moves with you all day long.

SIZE / AGE UNIVERSAL ADULT (16 YRS+ / 80 LB+)
COLOR NAVY, RED
APPROVAL PENDING NOVEMBER 2010

M.I.T. 22

MD2010 (MANUAL) & MD2012 (AUTO)

Good things **do** come in small packages. Proving good designs never go out of style, we've brought back a tried and true favorite: the first inflatable PFD ever designed by Mustang. Lighter, simpler and all around better, this little PFD packs a lot of benefits into its compact figure.

- 22 LB buoyancy when inflated
 - More flexible fit
 - Lighter weight components
 - Reduced chafing and fatigue
 - 1 fold, easy to use design
 - Simple to inspect and maintain
- SIZE / AGE** UNIVERSAL ADULT (16 YRS+ / 80 LB+)
COLOR RED, YELLOW, MOSSY OAK DUCK BLIND
APPROVAL USCG TYPE V WITH TYPE III PERFORMANCE
