Mustang Float Coats

CATALYST FLOTATION JACKET & COAT (MJ5246 / MC5466)

MUSTANG SURVIVAL WE SAVE LIVES FOR A LIVING

We took the traditional Floater Jacket™ & Coat™ and made them both more comfortable, better looking and overall, more wearable. The result? Mustang's Catalyst Flotation Jacket and Coat with the M-Tech™ Comfort System. Harmonized across Canada and the US, this wearable flotation gear does more than keep you above water if you fall in; it offers incredible warmth without compromising mobility. And, has 50+ years of a legacy backing it up. The Catalyst product line knows what it's doing.

Get after it without your gear slowing you down with unparalleled range of motion and mobility. Breathable, laminate outer shell waterproof up to 10,000 mm. Zippered chest pocket and front slash hand-warmer pockets keep your things accessible and your hands happy. ComfortCuff™ technology and underarm ventilation zippers let you choose your fit and warmth. Reflective accents for enhanced visibility; integrated hood trimmed with reflective taping.

Field tested by Coast Guard training crews, fishing lodges and Mustang Survival Professionals. Integrates seamlessly with Catalyst Flotation Bib Pants. When worn in combination, the Catalyst Flotation Jacket and Catalyst Flotation Bib Pant provide an immersed Clo Value of 0.17.

CLASSIC FLOTATION BOMBER JACKET (MJ6214 XX)

MUSTANG SURVIVAL WE SAVE LIVES FOR A LIVING

FLOTATION AND HYPOTHERMIA PROTECTION WITH SOLAS REFLECTIVE TAPE

The MJ 6214 series have been designed to deliver comfort, warmth, and durability during marine operations, the MJ6214 T1 Classic Flotation Bomber Jacket's closed-cell foam insulation will provide flotation and in-water insulation to delay the onset of hypothermia in the event of water immersion. Coupled with functional design elements such as fleece-lined pockets and a storm flap, Mustang Survival's MJ6214 T1 Classic Flotation Bomber Jacket adds up to an unbeatable value. The MJ6214 T1 Version includes SOLAS reflective tape across the chest and around each wrist to provide increased visibility.

The MJ6214 T3 is made with high visibility ANSI Fluorescent Yellow fabric and ANSI reflective tape for ANSI/ISEA 107-2010 Class 2 compliance and water safety. Beginning November 24, 2008, the Federal Highway Administration (23 CFR 634) Highway Patrol Safety Regulation mandates that anyone working in the right-of-way of a federal-aid highway must be wearing high-visibility clothing that meet the requirements of ANSI/ISEA 107; 2004 edition class 2 or 3.

MUSTANG SURVIVAL / DELUXE ANTI-EXPOSURE COVERALL AND WORKSUIT

MS2175 / DELUXE ANTI-EXPOSURE COVERALL AND WORKSUIT

Mustang Survival's Deluxe Anti-Exposure Coverall and Flotation Work Suit is designed with Mustang's Airsoft™ foam for a lighter and more comfortable fit than the MS2075 Coverall Flotation Suit. Comfort Cuff™ technology creates a relaxed, comfortable fit around the wrists, and is matched by the overall relaxed and comfortable fit of the suit design. Featuring two chest pockets, large front cargo pockets and an inflatable head pillow for additional in-water support and buoyancy, this suit blends functionality and features to meet the demands of a wide-range of professional and industrial uses.

Mustang Survival flotation suits are designed to protect the wearer from foul weather, and use closed-cell foam to offer flotation and hypothermia protection in the event of water immersion. Tug-Tite® technology and Velcro™ wrist and ankle closures improve fit and limit water flushing if immersed, SOLAS reflective tape enhances visibility and an inflatable head support pillow.

1. Hypothermia and flotation protection - immersed Clo 0.420
2. Inflatable head support pillow for additional buoyancy
3. Relaxed fit for comfort and mobility
4. Neoprene wrist closures for weather protection
5. Tug-tite® at thighs and ankles cinch easily to improve fit and minimize water flushing to delay onset of hypothermia
6. Ergonomic insulated hood easily folds into collar
7. SOLAS reflective tape for improved visibility
8. Chest and front cargo pockets for extra storage
